No. _____ Prot.

Tirana, ____ . ____ .2023

Subject: On the seconding the liaison prosecutor at Eurojust

HIGH PROSECUTORIAL COUNCIL

Based on articles 4 and 5 of the "Agreement on cooperation between Eurojust and the Republic of Albania", ratified by law no. 113/2018, as well as articles 53 and 54 of law no. 96/2016 "On the status of judges and prosecutors in the Republic of Albania", the General Prosecutor submitted to the High Prosecutorial Council via letter no. 174/2prot, dated 20.2.2020, the request for the designation of a liaison prosecutor at Eurojust, for a period of 2 years and 6 months.

Subsequent to this request, the High Prosecutorial Council made the announcement on the expression of interest from prosecutors for designating a prosecutor at Eurojust. At the end of the application period, the names of two candidates were forwarded to the General Prosecutor, who subsequently then informed the High Prosecutorial Council on his selection of the prosecutor at the Tirana Court of Appeal, Fatjona Memçaj, to represent the Republic of Albania at Eurojust.

After the General Prosecutor notified the selection of the name of the prosecutor with the decision no. 276, dated 17.12.2020, the High Prosecutorial Council decided the appointment of the magistrate Fatjona Memçaj in the position of the liaison prosecutor at Eurojust. According to the decision, the designation started on 1.01.2021 and consequently ends on 30.6.2023.

Regarding the above mentioned, in the capacity of the competent authority for the implementation of the agreement, according to Article 4 of the above-mentioned agreement and estimating as the representation of the Republic of Albania with a liaison prosecutor at Eurojust as necessary, I request the High Council of Prosecution to initiate the procedure of seconding a liaison prosecutor at Eurojust for a period of 2 years and 6 months, according to the provisions provided in Article 5 of the agreement.

Considering the importance of the process and our representation in this international organization, as well as taking into account the administrative aspects concerning the accommodation of the prosecutor who is going to be appointed, it is necessary to start the relevant procedures as soon as possible.

Thank you for the cooperation.

GENERAL PROSECUTION

OLSIAN ÇELA
